FEATURED PROJECT

ParkGuard | Founder & Solo Builder **Aug 2026 – Present**

iPhone app that remembers where you parked and warns you before street sweeping, meters or time limits cost you a ticket. Live on the App Store at parkguard.app.

- **Product:** Took ParkGuard from idea to the App Store in 6 weeks as a finance major: 48,000+ lines of Swift across iPhone, Apple Watch and widgets, backed by 1,300+ automated tests
- **Data:** Analyzed 494,000+ San Diego parking tickets ($40.4M in fines) and combined open data from San Diego, San Francisco and Los Angeles with public records requests
- **GTM:** Built a Python content engine that writes 63 TikTok posts a week (21 per city), and ran a launch with QR fliers and SEO pages tracked across 10 neighborhoods

EXPERIENCE

Handshake | AI Fellow **May 2026 – Aug 2026**

- Evaluated AI-generated financial analyses for accuracy, logic and clarity before submission
- Wrote structured feedback and corrected answers to improve model responses on finance tasks

Aztec Recreation, SDSU | Membership Sales, Member Services Representative **Jul 2024 – Dec 2025**

- Sold 15+ memberships and day passes a day face to face to students and community members, consistently meeting and beating monthly sales goals
- Talked with 50+ prospects and members a day across 2 facilities, answering questions and handling objections to turn walk-ins into sign-ups

Compass Real Estate | Marketing & Administrative Assistant **Jun 2021 – Aug 2024**

- Planned and scheduled content on TikTok, Instagram and Facebook that grew engagement 35%
- Supported agents from contract to close by keeping client files, schedules and deadlines on track

Landscaping Business | Founder **Jun 2021 – Jun 2023**

- Managed an $8,000+ annual budget: quotes, invoicing, expense tracking and client acquisition
- Built a repeat client base by word of mouth while carrying a full course load
